Letter from the Eagle Yearbook staff

The staff of the Eagle Yearbook welcomes you to the 2016 edition. Printed on these pages, you will find permanent reminders of lasting connections you made during the 2015-2016 academic year. This year's theme,"Connected", refers to the many facets of Hinds—we are several campuses, many programs of study and students going on many different academic and career paths. Through all of that, we are connected as one, through our drive for excellence, school spirit, and pride. Through our identity as Eagles, we are one. College is one of the most exciting parts of our lives, and a place where we all make connections. If you joined a club, and found kinship with like-minded individuals; If you rallied together with your friends to cheer on our sports teams; If you've united together with classmates to work towards that A+ on a group assignment; If you've bridged your dreams with your goals here at Hinds, then you have contributed to exactly what makes Hinds so great.

Message from the President

Dear Hinds Community College Family:

When I enrolled at East Central Community College in 1947, I earned my tuition, room and board by first milking cows at 4 o'clock every morning and then working as a cafeteria dishwasher until I received a basketball scholarship. Starting with those early mornings in Decatur, college affordability has always been close to my heart. Mississippi's community colleges – then and now – provide a world-class education at a fraction of the cost of other institutions. In fact, our state's community college system was ranked #1 in the nation this year based on cost and financing, classroom experience, and educational and career outcomes.

In our role as the state's largest community college, Hinds is uniquely positioned to deliver innovative programs to equip the workforce of tomorrow. This year saw the launch of MI-BEST, a program where students earn essential career credentials while receiving academic support for their classroom work. Our work with the Honors Institute has expanded to serve even more students. Dual credit instruction has given students the chance to jumpstart their college education by earning introductory Math and English credits from Hinds while still enrolled in their high schools. We have made large capital investments in our facilities across the district, including those with a focus on student life, including a new Student Union underway in Utica to a fitness trail and new softball field in Raymond. All of this effort has been to ensure that you have the best possible college experience while at Hinds.

I would urge you to maintain your connection with Hinds as an active alumnus after you graduate. Both the Hinds Foundation and the Alumni Association welcome your involvement with college life, and hope to see you back on campus for special events throughout the year. Many of you have benefited from the work of these organizations in the form of a scholarship from alumni, professional or community organizations, employers and friends of the college. Those scholarship pools speak to the value that the community places on a Hinds education, and to the close relationships we have been fortunate to foster among our alumni and friends.

In closing, allow me to express how proud I am that you have chosen to entrust Hinds Community College with your education. Hinds still offers the life-changing experience as it did when I attended a Mississippi community college nearly 70 years ago. Even though we may no longer offer 4 a.m. milking sessions, I encourage you to find other ways to actively participate in campus life, from honorary student organizations to athletics. Make the most of your opportunities at Hinds, and I guarantee that you will reap the benefits for many years to come.

Sincerely,

Dr. Clyde Muse

Student ORGANIZATIONS

>> Ivan Smith Jr. plays the saxophone at a pep rally

>> The marching band performs from the stands during a home football game

>> Darya Thompson practices during August 2015 Band Camp

Eagle Marching Band

The 2015 Eagle Marching Band halftime show, "Seasons of Love" featured "Sergeant Pepper's Lonely Hearts Club Band" made famous by the Beatles, the Concord Blue Devils arrangement of "When a Man Loves a Woman", "Love Drunk" by Boys like Girls, the American pop rock/pop punk band from Boston, Massachusetts and "Seasons of Love" from the hit Broadway musical RENT.

"Band is an important part of Hinds because it provides a great social environment, and it helps with the cost of tuition immensely. I've benefited from being in the program because I've had the opportunity to learn under fantastic instructors. Since I'm a music major, this helps me understand what I need to do as a director in the future. I just love the fact that I feel appreciated every day. The faculty members really care."

School spirit Hi-Steppers performing in the stands at a home football game

Hinds Hi-Steppers

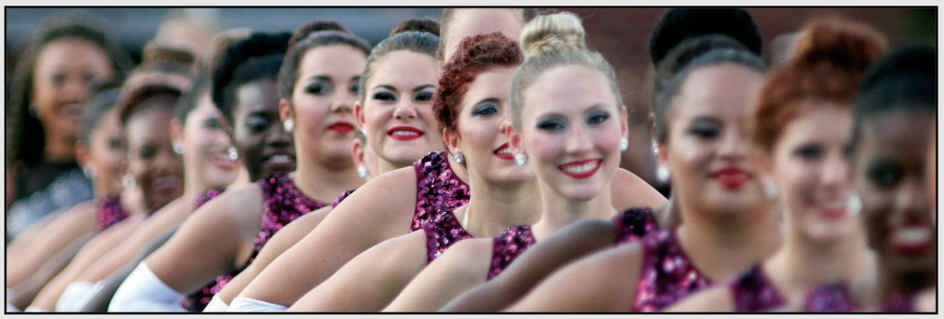

"The Hinds Hi-Steppers are a legendary precision dance line that represents Hinds Community College by performing at football games, basketball games, exhibitions, parades, competitions, recruitment and charity events. They also are involved in community service projects and serve as role models for the school. Being a member and captain of the Hi-Steppers is a privilege and means dedication, hard work, determination, working as a team, being a leader, mentor and helping others be the best they can be. As a Hi-Stepper, I have a sense of pride and accomplishment and will never forget the memories and friends I have made in this program."

Hinds Connection

"Hinds Connection takes hard work, dedication, the will to serve, and the desire to build relationships. It is, by far, one of the best decisions I have made in my life. Connection is my family. It is a great honor to be able to serve with such a fantastic group of individuals. Although we all come from different backgrounds we are all family. Our job is to serve the college in any way we are asked and we do so with the very best attitude, because we love what we do and we love Hinds!"

Who's Who

Among Students in American Community and Junior Colleges

On Friday, November 6, 2015, over 140 Hinds Community College students were presented for inclusion into the 2015-2016 Who's Who Among Students in American Community/Junior Colleges. Associate Vice President of Student Services and Dean of Students for the Raymond Campus Dr. Tyrone Jackson, Hinds Community College President Dr. Clyde Muse and Dean of the Honors Institute Debbie McCollum were featured in a program honoring the students. The scholastic endeavor and leadership qualities exhibited by these students show a promising foundation for being successful in reaching their future goals.

Hinds Community College President Dr. Clyde Muse speaks at the Who's Who ceremony held on the Raymond Campus.

For more than seven decades, the Who's Who Among Students in American Community/ Junior Colleges has honored outstanding campus leaders annually for their scholastic and community achievements. Students are nominated based upon their academic excellence, leadership, citizenship and service to the college and/ or community and participation in extracurricular activities. Each must be nominated by a faculty or staff member of the college.

HEADWAE

Higher Education Appreciation Day-Working for Academic Excellence

Jeff Hughes
Harrison Hunter

Mathematics Instructor Jeff Hughes, of Pearl, and Robert Harrison Hunter, of Hermanville, a sophomore computer engineering student on the Raymond Campus, were Hinds CC's honorees for the Legislature's Feb. 2, 2016, HEADWAE (Higher Education Appreciation Day – Working for Academic Excellence) program.

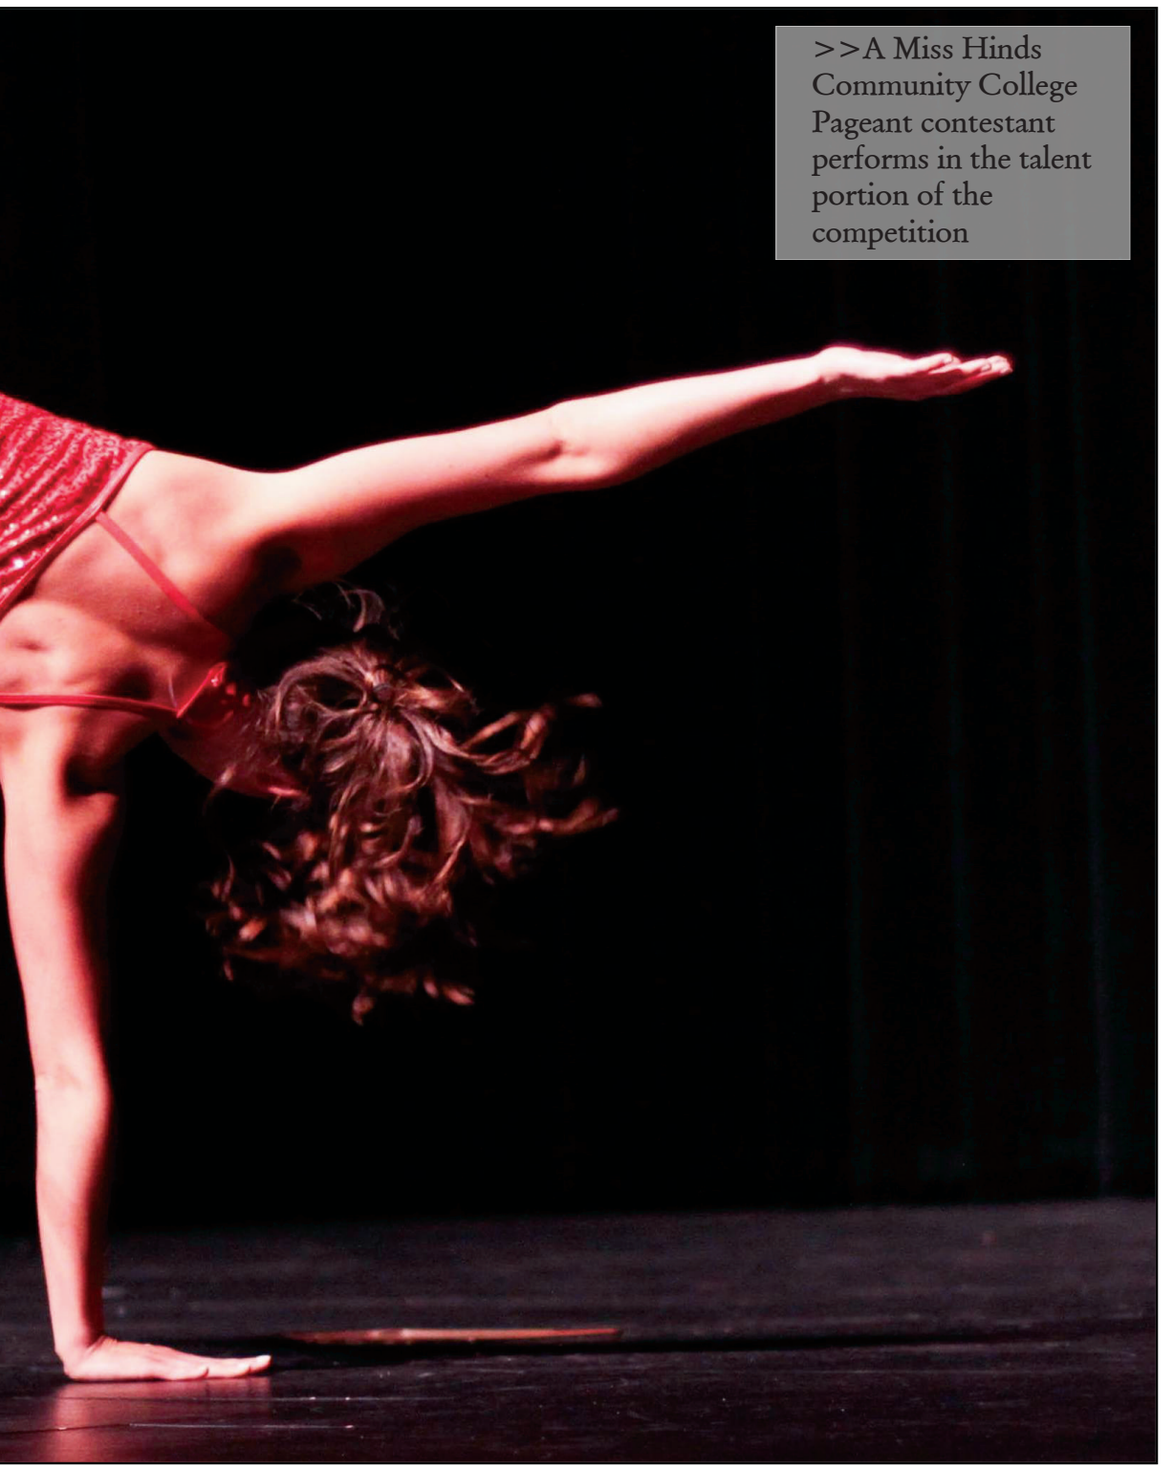

Hunter, who was home-schooled in his hometown, near Port Gibson, until he enrolled at Hinds, is a member of Phi Theta Kappa and serves as the honor society's vice president of scholarship. He is also a member of Honors Institute and, in 2014, studied in England as part of Hinds' international studies partnership with Bridgewater College.Hughes, a 27-year math teacher at Hinds, was educated at Mississippi College and the University of Mississippi, where he earned bachelor's and master's degrees in mathematics. He is the curriculum coordinator of mathematics across Hinds' six campuses.

Miss Hinds Pageant

Courtney Helom, of Jackson, was named Hinds Community College 2016 in the annual pageant Feb. 3.

As Miss Hinds Community College, Helom participates in the Miss Mississippi pageant.

Helom is a Raymond Campus sophomore majoring in biology, a cheerleader and member of Hinds Connection.

Her talent was a monologue titled "Emmitt Till," in which she took on the character of Till's mother, and her platform is "Girl Scouts of America: beYOUtiful."

Intramurals

#playlikeaneagle

Student Recreation is a combination of both activities and intramural sports for students. Everything offered is completely free of charge and always geared towards the students' interests. Approximately 26 team and individual sports throughout the year are offered, including flag football, basketball, volleyball, dodgeball, kickball, softball, disc golf, bowling, golf, swimming, and even a triathlon! There are two intramural football fields, our own disc golf course, and a brand new softball field. Getting involved in intramural sports is a great way to meet new people, compete with friends, and win a "Hinds Rec" championship t-shirt and other prizes.

Student Recreation

The activities offered for Hinds students on all campuses vary from National Eat Healthy Day, to the Halloween Block Party, to Spring Fever! During the Fall Welcome Week at Raymond, we hold a watermelon eating contest, a Sonic Blast eating contest and an ice cream social. We are always excited to visit each campus throughout the year and give away pizza, popcorn, and cotton candy at different events like Welcome Day, Beach Blast and Popcorn & Prevention.

Our mission is to give Hinds students the best experience possible.

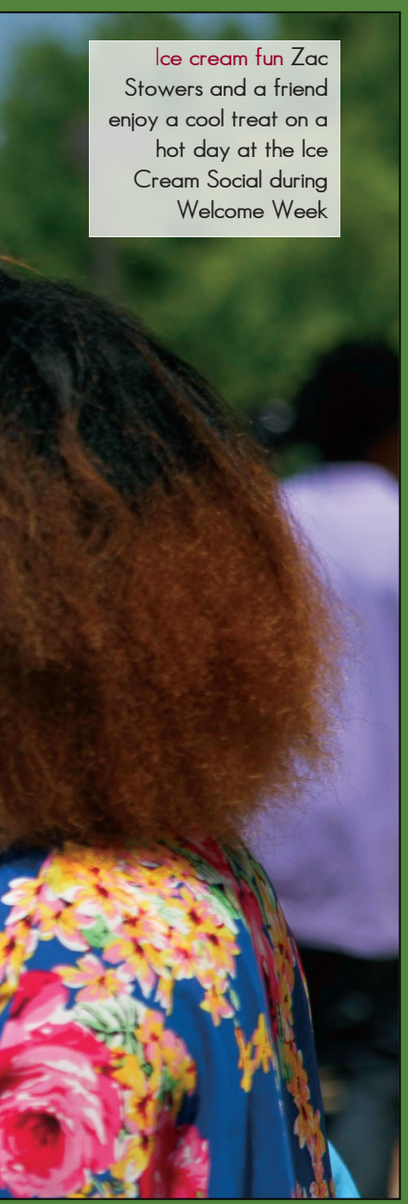

This way Kathryn Cole, director of Enrollment Services, helps freshman Victoria Craft navigate the campus on the first day of classes

welcome Week

In August, students flocked to the Raymond Campus as the fall semester began with the first day of classes. Students are welcomed to college life with a host of activities and events, including an ice cream social hosted by the Department of Student Recreation. Faculty and staff members served vanilla and chocolate ice cream sundaes, complete with syrup, whipped cream and rainbow sprinkles to a large crowd of eager students. In the sweltering summer heat, ice cream and conversations with new friends were the perfect pairing.

Graduation ceremonies

Over the past year, Hinds Community College graduated nearly 3,000 academic, career-technical, nursing and allied health students and conferred more than 3,700 certificates or degrees. On this page are scenes from the Fall 2015 graduation ceremonies, which took place at the Clyde Muse Center on the Rankin Campus.
